SUBJECT: RFP NO.: \_\_\_\_\_

FIRM/INDIVIDUAL NAME: \_\_\_\_\_

**SECTION 1: To be completed when the supplier states no conflict of interest occurs.**

Based upon all information available to CHBWV, it is determined that award to the offeror would not result in a possible Organizational Conflict of Interest (OCI) with respect to the offeror (or any contemplated sub-tier subcontractors or consultants) being unable to render impartial, technically sound or objective assistance or advice in light of other interests or relationships or being given an unfair competitive advantage.

CONTRACTING OFFICER DETERMINATION

Based upon my review of: (1) the scope of work, (2) the offeror's disclosure statement or OCI certification, (3) CHBWV's recommendation, and (4) all other information available to me. I hereby affirmatively find that there is little or no likelihood that a possible conflict of interest would exist if award is made to the offeror.
