# Scope of Work

The WVDP Environmental Characterization Services Contract was awarded to Safety and Ecology Corporation (now a subsidiary of Perma-Fix Environmental Services)

- Indefinite Delivery/Indefinite Quantity (IDIQ) Contract
- Scope: perform environmental characterization to support Phase 1 Decommissioning as identified in the:
  - Phase 1 Decommissioning Plan for the WVDP
  - Phase 1 Characterization Sampling and Analysis Plan for the WVDP (CSAP)
  - Phase 1 Final Status Survey Plan for the WVDP
- Environmental characterization activities will include:
  - Soil, sediment, and groundwater characterization
  - Environmental monitoring
  - Preparation of regulatory documentation
